Westport Golf Club is excited to announce its new partnership with the **River Oaks Golf Course** located just West of Statesville.

In an effort to bring even more value to the Westport Golf Club's Membership, Westport Golf Club Members can now enjoy playing the River Oaks Golf Club at the Member Rate of the \$15 cart fee. We know our Members occasionally like to try a different course every now and then, and this is the perfect opportunity to do so. So when planning a game away from your home course, consider the River Oaks Golf Course.
